NEW WAVE

Oceans 234 In Deerfield Beach Debuts Fresh Changes

Deerfield Beach waterfront favorite Oceans 234 just unveiled a hot new makeover, with an even better ocean view, a revamped interior and re-imagined menus.

This winter, Oceans 234 reopened after three months of large-scale renovations. No longer blocked by any walls, the picturesque ocean, beach and pier now can be viewed in all their glory via state-of-the-art floor-to-ceiling windows.

The new contemporary-chic décor follows this prevailing theme of inviting the outdoors in, featuring a natural color palette of warm browns and greens, with pops of vibrant turquoise and tangerine.

The menus, offering an array of Florida-inspired dishes and cocktails, were re-created by Chef Victor Franco. Seafood dishes include a selection of local fish, such as Pistachio Mahi-Mahi, with vanilla-rum butter sauce; sushi; cold-water oysters; and raw or steamed clams.

From the bar comes the tempting Moët Ice Mojito, with Champagne, fresh mint and lime, served over ice. Cheers to that!

Oceans 234 is located at 234 N. Ocean Blvd., Deerfield Beach. Call 954-428-2539 or visit oceans234.com.
