Simple and rewarding, that's what power should be.

Combining your electricity and natural gas needs with NRG isn't just simple, it's also rewarding. Add a natural gas plan to your existing account for the same reliable service, with even more travel perks.

**5,000 MileagePlus®
bonus miles**

after 2 months of natural gas
service with NRG

Introductory pricing

that is 10% off your utility's rate
for your first 3 months*

2 miles earned

for every \$1 spent on your
natural gas supply

*After the introductory period expires, your price will be variable, and your first month's price will be the same as your introductory price.
Ongoing monthly price may be different, including higher.

Miles accrued, awards, and benefits issued are subject to change and are subject to the rules of the United MileagePlus® program, including without limitation the Premier® program (the "MileagePlus Program"), which are expressly incorporated herein. United® may change the MileagePlus Program including, but not limited to, rules, regulations, travel awards and special offers or terminate the MileagePlus Program at any time and without notice. United and its subsidiaries, affiliates and agents are not responsible for any products or services of other participating companies and partners. United and MileagePlus are registered service marks. For complete details about the MileagePlus Program, go to [united.com](https://www.united.com).
