14 doing?!

15
16 Man Just scrubbing the floors sweetheart. (Continues to hum the same
17 tune.)
18
19 Woman But what are you using?! Is that mouthwash?!

20
21 Man Yes! Actually it's Shimmer Mouthwash.
22
23 Woman (*confused*) But why are you using mouthwash, my dear?
24
25 Man Shimmer Mouthwash is more than a wash for your mouth. Sure, it
26 kills germs, whitens teeth, freshen breath and comes in a great
27 spearmint flavor, but did you know Shimmer Mouthwash can also
28 be used as an antiseptic?
29
30 Woman So are you telling me it can not only refresh your breath, it can also
31 refresh our floors.
32
33 Man Exactly!

37 Woman Well fine, at least you're cleaning. But sweetheart, you should still
38 consider using it for your breath...I think you need it.
