Alex Hernandez

Sports Journalist

Professional Summary

Aspiring sports journalist with experience covering collegiate and professional athletics, including UFC events and Arizona State University sports. Experienced in conducting interviews, developing feature stories and reporting on deadline. Dedicated to producing accurate, engaging journalism that highlights athletes, teams and the stories beyond competition.

Work Experience

uSports (Internship)

May 2025 - August 2025

Remote

Researched current and historical events in the sports world to produce informative, engaging articles ranging from 200 to 450 words. Consistently wrote and completed a minimum of five articles per week while meeting deadlines.

Society for American Baseball Research (Internship)

February 2026 - May 2026

Remote

Assisted in publishing baseball research articles by formatting and preparing content for online publication. Edited HTML and CSS to maintain consistent layouts, improve readability and ensure adherence to organizational style standards. Gained hands-on experience with digital publishing workflows at a nationally recognized baseball research organization.

Cronkite Sports Bureau (Digital Reporter)

August 2026 - Present

Phoenix, AZ

Pitched and developed original sports stories covering collegiate, professional and community sporting events. Coordinated with sources to arrange interviews, attended events and interviewed athletes, coaches and other participants. Researched, reported and wrote stories while adhering to AP style and Walter Cronkite School journalism standards.
