How It Works

One Content Engine. Many Ways to Deliver.

1. **Provides Trusted Content**

2. **Engages with Print and Digital Formats**

3. **Captures Your Audience's Attention**

4. **Fortifies Your Program**

We bring content, design, and delivery together in a single system, ensuring your audience gets the right information, at the right time, in the right format.

Who We Serve

We deliver for organizations where compliance, accountability, and performance aren't optional – maximizing every dollar so you can focus on what you do best.

- Emergency Management
- Public Health
- Law Enforcement
- Corrections
- Hospital & Patient Care
- Education
- Human Resources & Compliance
- Federal Agencies
- Non-Profits
- Corporate Entities

Solutions in Action

From our flagship pocket guides (and eight other fully customizable print formats) to our eGuides and QuickSeries Connect app platform, we ensure engaging, affordable content delivery that is guaranteed to make your program a success.

Custom Content. Real Impact.

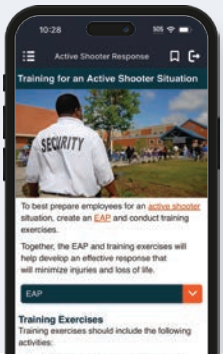

Help your message stick where generic content falls flat.

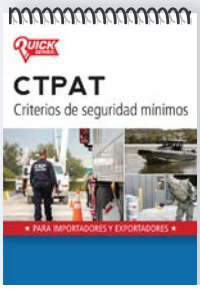

Multilingual Communication

Reach more people. Build more trust. Communicate clearly in every language.

Personalization vs. Customization

Choose the level of flexibility your program needs – without sacrificing quality or clarity.

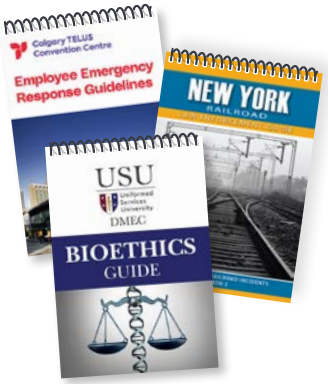

Personalization

- Start with QuickSeries content.
- Add your logo, branding, and messaging.
- Fast and efficient!

Customization

- Use your content or concept.
- Written, designed, and built by QuickSeries.
- A fully tailored solution!

Supporting Your Grant-Funded Programs

Many health, safety, and community outreach campaigns rely on grant funding. QuickSeries solutions help organizations maximize these resources by delivering clear training, preparedness, and awareness materials that support program goals and strengthen community engagement.

Our products can support initiatives funded through the following:

→ FEMA preparedness grants (SHSP, UASI, OPSG, EMPG)

→ Health preparedness programs (ASPR, PHEP, HRSA, HPP)

→ SAMHSA behavioral health grants

→ DOJ/BJA justice programs

→ Tribal and American Indian initiatives

Our experienced account managers understand grant-funded programs and work with you to identify solutions that align with funding requirements while helping you get the most from your grant investment.

Working with QuickSeries helps you meet your grant funding needs.

A Strategic Partner in Communication

QuickSeries partners with organizations to strengthen communication, improve readability, and build trust. We help you deliver credible information clearly, so your message is understood, retained, and acted on – whatever your budget or funding structure.

Let's build a solution that works for your audience and your mission.

- ✓ Mobilize your IMT in seconds – no binders, no phone trees, no confusion.
- ✓ Track multiple incidents across multiple locations simultaneously within the same environment. Switch between them in just two clicks.
- ✓ The Command Center provides real-time situational awareness, giving IMT members a live view of incident status and direct access to the tools needed to respond efficiently.
- ✓ Notify and activate your internal team and external partners with the notification engine.
- ✓ All ICS, HICS, and custom IMT forms come prebuilt and ready to use. Import your EOP to enable instant sharing.
- ✓ An automatic audit trail and live logs ensure every action is logged automatically from the moment an incident begins.
