Inspire Veterans to make 2027 their most fulfilling year yet! The *A Healthy You* Veterans Affairs (VA) planner is a year-long companion to encourage Veterans to take charge of their health, well-being, and personal growth. Each month focuses on a key health topic — from mental wellness and physical fitness to community connection and preventive care — offering practical tips, space for goal tracking, and trusted VA resources to stay engaged all year long.

Personalized Guidance

Tailored monthly wellness topics empower Veterans to meet their personal health goals.

Consistent Motivation

Designated space to track stats each month keeps Veterans connected to their health journey.

Essential Tools

Trusted VA resources, QR codes, and mobile app recommendations support ongoing wellness.
