As the end of the year approaches and you're ready to close your books, Are you sure you've secured everything? Should you take another look?

Bad actors are everywhere both near and abroad, they lurk behind laptops aiming to commit payment fraud.

It could happen in ways that you wouldn't think. Through checks you send in the mail or even an email link.

Payment fraud risks your checks, account numbers, IT security too. But with the right automated payment platform, it won't happen to you.

So as you head into 2024 think about your current payment process. With our secure integrated automation platform, you'll worry a lot less.

Don't allow payment fraud to put your business at risk. Edenred Pay's secure automated solutions will do the trick!

Start the year off right with Edenred Pay's invoice-to-pay automation. Call us today and we'll schedule a platform demonstration.

When AP departments are tasked with doing more with less, errors and delays get in the way of progress. Poor integration between ERPs and invoice and payment systems increases workflow inefficiencies.

Challenges across the invoice-to-pay cycle that disconnected systems create – or make worse – include inconsistent data, poor visibility, process inefficiencies, and higher costs. When the focus is on resolving these challenges, particularly with manual processes, fraud and compliance issues are more likely to occur.

Seamless integration with legacy ERP and accounting systems eliminates the friction in manual AP processes, increases visibility, and improves accuracy, leading to accelerated workflows. These are not the only benefits of an integrated invoice-to-pay platform.

Explore additional benefits in our latest blog, "Unlocking Efficiency: How Seamless Integration Transforms the Invoice-to-Pay Process."

June 26, 2024, marked Edenred's 8th annual Idealday!

Idealday is Edenred's global day of action and volunteerism in service of local communities.

Every June, Edenred teams across 45 countries spend the day making a difference by participating in community clean-up events, preparing and packing food at local food banks, repairing and beautifying schools, providing essential supplies to those in need, and many additional projects that have a positive impact on those facing challenges.

Edenred Pay USA, headquartered on the southwest coast of Florida, volunteered in the surrounding community assisting local non-profit organizations.

Community Cooperative – Fort Myers  
Harry Chapin Food Bank – Naples  
Koreshan State Park – Estero

Idealday is a wonderful opportunity for Edenred employees to take action to align with Edenred's corporate responsibility policy of Idealpeople, Idealplanet, and Idealprogress.

Edenred Pay is always happy to support our local community food banks for Idealday and throughout the year.

Edenred Pay at Harry Chapin for Idealday!

The Harry Chapin Food Bank in Naples feeds a quarter of a million people monthly in the surrounding five counties. They are the largest hunger-relief nonprofit organization and the only Feeding America member in Southwest Florida. They help by rescuing and distributing donated food and other grocery products through their food distribution programs.

Some of our Edenred Pay employees helped to prepare meals at Harry Chapin on Idealday.

Idealday 2024 at Koreshan State Park!

Koreshan State Park offers a window into the lives of a unique and eccentric pioneer group that made its home under towering oaks on the banks of the Estero River. The park is home to 11 immaculately restored and nationally registered historic buildings and is a quiet and peaceful refuge providing opportunities to enjoy nature in busy Fort Myers.

Kirk Lucarelli, Matthew Bartlett, and Jake Tracy spent Idealday working hard to make Koreshan's natural setting even more beautiful with some pruning and trimming.

Idealday at Community Cooperative!

The Community Cooperative's mission is to eliminate hunger and homelessness in southwest Florida while simultaneously inspiring and supporting sustained positive change. They provide meals to those in need through their Meals on Wheels program, a soup kitchen, a physical market, and a mobile market. Community Cooperative also maintains an herb and vegetable garden at the back of the center, using the produce from the garden in their kitchen.

On Idealday, Edenred Pay employees helped prepare and distribute meals. Community Cooperative weighs every donation they receive, including the "donated help." Today Edenred Pay weighed in at approximately 1500 pounds.

Hungry Hungry Kiddo Kits with Community Cooperative and Edenred Pay for Idealday!

While school is out for the summer, many children face food insecurity without their daily school lunches. Community Cooperative's initiative to end summer hunger, "School's Out, Hunger's Not" is dedicated to supporting families with out-of-school children that need a little help over the summer months.

Community Cooperative is encouraging everyone to help fight hunger this summer by creating Hungry Hungry Kiddo Kits.

The Edenred Pay team helped by packing bright bags filled with snacks for the kiddos.

Learn how you can help here [🌐https://hubs.la/Q02DF2NS0](https://hubs.la/Q02DF2NS0)
