

As we approach the year's end, we'd like to recognize our Youth Star, Mr. _____. _____ was chosen by the staff at the Club because he exhibits the characteristics that we strive to represent. He's been an active member of _____ since he was 5 years old and is now a 16-year-old Jr. at _____ High School. He is a part of the Varsity Baseball Team and a Scholar of the Delta Psi Phi Organization. _____ says that The Club has taught him a lot about real-life, including how to meet new people, how to determine what he wants to do in the future, public speaking skills, and the importance of education.

After high school, he wants to go to college and major in Business, then study Sports Management. He stresses the importance of the Club to his family and the community, so he volunteers often and would like to eventually open a Club in his name. _____'s overall experience at _____ has been life-changing, and he hopes to see it grow so that there is more to offer the older kids in attendance. Most importantly for _____ "there's always someone there for you. If you have any problems, someone is there to talk to and give a listening ear or good advice."
