Celebrities seem to be in a league of their own.

They name their children after inanimate objects, hide pregnancies, leak nude photos, and have some of the strangest beauty rituals ever.

It turns out that even natural beauties like Bey and Blake Lively have weird beauty hacks... One celeb even uses cat litter as an exfoliant.

While you may be shocked to hear some of these, rest easier knowing celebs don't just wake up flawless.

1. Blake Lively loves to put this condiment in her hair.

The actress [told](#) *Harper's Bazaar U.K.* that she uses either a toothbrush or eyebrow brush to comb foundation into her hairline...otherwise it looks "gross."

**8. She also likes to use nipple cream as lip balm.**

Giphy | Giphy

"I have a conspiracy theory that lip balms actually have additives in them to dry your lips out so you keep buying them," the actress [told](#) *Elle U.K.*

9. Beyoncé's makeup artist Ashley Weatherford uses eye cream on the singer's entire face.

Hmm, seems questionable, but in a revealing Instagram [pic](#), the model claims that it results in a more natural finish.

15. Beyoncé has another crazy beauty hack — using a glue stick as eyebrow gel.

Instagram | @beyonce

Bey's other makeup artist, Sir John, [told E! News](#) that he uses Elmer's glue stick to tame her brows.

16. And last, but not least, Snooki likes to use cat litter as a cost-effective exfoliator.
