Published by Stephanie Blanchard [?] · December 10 · 🌐

👶👶👶 One of the challenges of parenting a newborn is soothing them at all hours. Our Swaddle + Soothe bundle gives you a hand with swaddle blankets, a pacifier that mimics mama's breast, and a \$50 Flourish Gift Card for a sleep or doula consultation because sometimes getting baby to sleep is harder than it sounds. When you do get your baby down, you'll have extra time to put together their memory book (or sleep, it's your choice) 😴. Add the bundle to your Flourish Fund Baby Registry www.theflourishfund.com/product/baby-swaddle-bundle/ Getting Sew Crafty Bebe au Lait KeaBabies.
