

BALANCE: Unlike other franchise concepts which frequently demand your attention on nights and weekends, Kiddie Academy franchises operate Monday through Friday, 6:30 a.m. – 6:30 p.m., allowing you to strike a balance in your life.

INDEPENDENCE: As a Kiddie Academy franchisee, you benefit from the stability and reputation of a highly regarded, proven child care franchise, while maintaining control over your career and future. Furthermore, growth in the child care sector continues to rise year after year, suggesting a true, unwavering need for these services regardless of the economic climate.

STRENGTH: As an industry leader for over 27 years, Kiddie Academy offers entrepreneurial-minded individuals an exceptional opportunity to bring premium, education-focused child care services to this strategic geographic market. Our operational strength and dedicated support expertise—including assistance with site selection and licensing, day-to-day operational guidance, and more—prepare our franchisees for success.

“There’s a reason Kiddie Academy has been around for so long: Their business model really works. And now, it’s working for me.”

“I didn’t want to choose between my career and my family. I wanted enough time for both, and now I have it.”

“Being a franchisee gives me the best of both worlds: I have control over my business, but help is always there whenever I need it.”

³ 31 of the 66 academies open at least 18 month, or 47% of all such academies, achieved these results. This figure is an estimate. There are no assurances you will do as well. If you rely upon our figures, you must accept the risk of not doing as well. Offered by prospectus only.

FULFILLMENT: Work you enjoy. The accomplishment you seek. With Kiddie Academy, you can achieve your personal and professional goals while providing a valuable service to the families in your community. Make a difference in their lives and yours.
