## INTERNATIONAL AIRPORT

The New Gateway to Western New York

# BATAVIA INTERNATIONAL AIRPORT: Western New York's New Horizon

Strategically located at the heart of Western New York, Batavia International Airport is designed to unite the region's cities, industries, and travelers under one dramatic and efficient gateway. Combining advanced air travel facilities with high-speed Jet Train service, it will place Buffalo, Rochester, and beyond within minutes of the world.

Serving 4 Million  
Residents Within  
60 Miles

From Western New York to the World:  
A Brutalist Masterpiece for the 1970s

# From Western New York to the World.

You'll love the global connections at the new Upstate Airways Batavia hub.

**UPSTATE  
AIRWAYS**

# Upstate has a new home.

Hello World.  
Welcome to  
Batavia!

## Batavia International Airport is the hot new hub for Upstate Airways.

Western New York's new, state-of-the-art airport may be a showcase of Brutalist design, but the experience is anything but brutal when you fly Upstate Airways.

Expect the same warm Upstate hospitality. The same perks you love. From free photography classes in Rochester to free glassblowing in Elmira/Corning, Upstate Airways always ups your trip.
