How to make Cosmopolitan

Method/Preparation

- ✓ Cool the Martini glass by filling it with five ice cubes.
- ✓ Pour the vodka, orange liqueur, lime, and cranberry juices into the cocktail shaker.
- ✓ Fill the shaker with five ice cubes and shake vigorously for ten seconds.
- ✓ Remove the ice from the pre-chilled Martini glass and pour out the Cocktail. Finish with a slice of lemon.

Tips

- Lemon-flavored vodka is fresher and fruitier than the classic one and has notes of lemon zest. Tip: A great choice for lemon-flavored vodka is Absolut Citron.
- Orange liqueur, also known as Triple Sec, is a liqueur made from dried orange peels. Tip: The Cointreau brand is the most well-known and by far the best option.
- Cranberry juice has a sweet and sour taste and will make the cocktail light pink. The berry is very healthy, it works and fights against kidney stones and bladder infection, among other things. Tip: Several brands are marketing cranberry juice. The Ocean Spray brand is world famous and prepares its juice in an authentic way.
- The fresh lime juice ensures that the Cosmopolitan has a fresh taste.

The combination of vodka, orange liqueur, lime juice, and cranberry juice made these ingredients for Cosmopolitan cocktail a timeless classic.
