

Dear FirstName,

## Have you ever felt so discouraged at work that you wanted to give up?

Pastor Manuel Cano felt this way for years. He's the only pastor of a church in rural Nicaragua. Several years ago, he was thinking about quitting. The 30 people who attended the church didn't support him. They lived in a community where violence, drug abuse, and witchcraft were widespread—and they often participated. They desperately needed the truth of God's Word, but Manuel didn't have the training and education he needed to share it with them.

In most developing countries, the church is growing quickly, but it has a huge problem. Pastors and Bible teachers like Manuel lack the training they need to teach God's Word accurately and effectively. As a result, the people in their churches don't truly understand the Bible. Their everyday lives go unchanged.

## You can be part of the solution.

In 139 countries around the world, Walk Thru the Bible trains and equips local pastors and Bible teachers with practical biblical resources. They learn to teach others so that they can reach as many lives as possible.

For Manuel, training from Walk Thru the Bible has made an incredible difference in his ministry. He's received training at 13 different conferences and has felt his burden lift as he returns home with new material to teach. "God reveals everything, but I need a teacher," he says. "God knows my need as a pastor, so he sent me to conferences where I feel newly strengthened and fed spiritually." In a few years, his church membership went from 30 to 80 people.

There are pastors and Bible teachers just like Manuel who are waiting to be equipped. Together with you, we can equip them by June 30—the end of the fiscal year—if we have sufficient funding.

On average, it takes \$120 to train each leader.

## Will you consider making a gift of \$120 to equip one pastor or Bible teacher, \$240 to equip two pastors and Bible teachers, or another amount before June 30?

Your gift will make an eternal impact—not just for the leader you support but for every person he or she will teach.

Serving together with you,

Phil Tuttle  
President

Pastor Manuel Cano

P.S. For only \$120, or \$10/month for a year, you can equip a pastor or church leader to impact thousands of lives.
