RELY ON GOOD LUCK;**

you have to use your smarts as well.

At Regis Campus Safety we want to wish you a fun and safe St. Patrick's

'Twas the night before Christmas,

when all through Regis' campus

There was cheer in the air,

the holiday spirit all around us.

As we celebrate this most joyous

of seasons, a reminder to all

Don't leave your presents in your car nor
valuables in your dorm room, big or small.

As we depart for break, a spring
in our step and our hearts so light,

We wish you a merry Christmas,
and to all a good night!
