

Hello!

You may have noticed that your neighbors at 133 West 46th Street recently put their home on the market for sale.

Preparing for their next chapter as a family, they are ready to move on to a new home that better fits their needs.

It was a pleasure working with them when they bought this charming home and I am pleased to assist them through the selling and buying process again.

I am hosting an open house tomorrow, Saturday, January 27th, and would love for you to stop by and see the home, enjoy a refreshment, and chat.

I have helped families across Bayonne through the selling, buying, and renting process. I am passionate about helping my clients with integrity, local expertise, and personalized service.

I look forward to meeting you tomorrow and hearing about your home ownership journey!
