

Bond with Dad

(No camping gear required.)

You don't have to trek into the wilderness to connect with your dad this Father's Day.

Create a personalized greeting card and Spotify playlist by visiting our Father's Day playlist generator. In just a few minutes, you can create a custom playlist that bridges your musical tastes into the ultimate Dad's Day soundtrack. (Create as many as you want—for all the dads in your life.)

And to make sure he can hear your mix at its sonic best, you'll receive a 15% off code for Sonos when you create the playlist. (We won't tell him if you use it for yourself.)

So whether you're with your dad this Father's Day or not, connect with him through great music—yours and his.
