- 4 Check it twice.**

Sonos One for Mom

Beam for me

Sub for ...

Explore

Complete your home theater sound with these savings

(Just in time for holiday movie marathons.)

This season, surround yourself with loved ones and immersive, theater-quality sound. Add a Sub to your existing TV speaker to experience the dynamic, highly detailed bass of 3.1. Or add a Sub and two Sonos Ones to create the ultimate home theater setup, immersing yourself in the on-screen merriment with 5.1 surround sound.

Save \$100 on Sub

Save \$50 on Sonos One surrounds

Save \$50 on Beam

Offer valid through November 26, 2018, or while supplies last.

Bonus offer: \$100 off Connect:Amp

Can't bear to send your old stand-alone speakers to the Island of Misfit Toys? Connect:Amp allows you to incorporate your favorite bookshelf or floor-standing speakers into the Sonos experience. Stream music or use line-in to connect a turntable or Amazon Alexa device.

Music makes it merrier.

Transform your holiday gathering into an immersive yuletide experience with the dynamic, room-filling sound of Sonos. From family dance parties to after dinner sing-alongs, Sonos One delivers surprisingly rich sound for your favorite party playlists.

And with Amazon Alexa and AirPlay 2 built in, you can control the music hands free.
