Disclaimer

The certificate of completion for completing any of our courses is not equivalent to a license to practice. This program only serves to provide you with the knowledge and skills for hair replacement installation and to demonstrate your new expertise.

Clients can register for the same hair system live course for FREE for class after the main course but should bring their own training kit.

This course can only be taken by professional hair stylists, barbers or in process, hair cutting knowledge is a pre-requirement.

Clients are eligible to enroll for the next hair system training classes ONLY after registering the main course with us.

Please note that the training kit provided will be sufficient for taking all three different hair system training classes and if any of these items are completed in between the courses, they can be purchased online on our website.
