#### Cute Bunny Flip Watch

Teach your young ones the value of time with this super adorable flip watch. With the simple press of a button, cool LED lights display time clearly. Comfortable to wear and durable for your child's daily use. Makes an excellent gift for children of all ages. Available in multiple colours.

#### Wagging Doggie

Fancy yourself a cute pup that wags its tail excitedly each time it sees you? How about a wall clock with a wagging tail instead? This adorable wall timekeeper is sure to add to smile to your face, or at the very least, makes an amazing conversation piece among your guests.

#### Creative Clocker

A statement piece, a work of art or a wall clock-who can tell? The creative clocker will let creativity do the talking, even if you can't. Play it up as a focal point on your feature wall or use it to add some complementary flair to existing wall decor. With these easy to arrange geometric pieces, you would question how you ever lived with bland walls in the past.

Needle Clock	This minimalist chic needle clock is a showstopper. Designed with form and function in mind, this stylist timekeeper is easy to put together and can be personalised to suit your fancy. With a classy mirror finish to add glamour, this is the only statement piece your wall would ever need!
Living Room Clock	Not trying to reinvent the wheel here (or the clock, in this case) but this piece seriously questions what a traditional living room clock needs to look like. In a modern minimalist style, this timekeeper immediately adds funk and pizzaz to make any wall the focal point in your living room. It's about time to change things up, don't you think?
Rustic Woods	Time as told by nature. Bring the warmth of the outdoors into any room with this rustic wooden clock. Crafted with real wood, this wall clock beautifully marries minimalism and classic styles. Excellent as a stand-alone wall piece.
Cuckoo Owler	A time-tested classic cuckoo clock. Sporting intricate craftsmanship, this timekeeper will command the attention of anyone who lay eyes on it. Beautifully carved in vintage German-Swiss clock style. A reminder of how some things can truly stand the test of time.
Periodic Time	Display your love-hate relationship with the periodic table with this smart wall clock. This timepiece features the first 12 elements of the periodic table corresponding to each hour. Makes an excellent gift for students, lab rats and your inner geek. Nothing screams "I'm smart" like this piece hanging on your wall.
Digital Sports Watch	This ruggedly smart digital sports watch can perform more tasks than simple timekeeping. Keep track of your running time, calendar, alarm and more on this sharp multi-display LED screen. With a sleek stainless steel frame to perfectly balance style and functionality. From the boardroom to the tracking field, this one has you covered.

#### Nursery Timekeeper

Could this nursery timekeeper get any cuter? Excellent for playrooms too, this wall clock is simply adorable yet minimalist enough so as to not steal the 'aww' factor from your babies and/or tots. And it's entirely understandable if you would want to bring some of that cuteness to your own grown-up room!

#### Kitchen Clock

Get yourself taken seriously as a chef with this attention-grabbing eye popper! Featuring utensils like forks, spoons, soup ladles and slotted scoops, this modern/ contemporary kitchen clock would flavour any wall with a dash of whimsy. What's the perfect accompaniment to any kitchen or dining area? A clock that says 'it's always a good time to eat'.

#### Acrylic Clock

This acrylic wall clock is modern and stylish. With easy-to-assemble pieces to leave some room for your imagination. Reflective mirror finish adds glamour, making this clock the only showstopper you'll want on your wall!

#### Silent Vintager

The Silent Vintager is the classic embodiment of style and substance. Crafted with a solid outer wooden bezel to keep this vintage-styled timekeeper going strong for the years to come. And as its name suggests, this wall clock has silent mechanisms to keep the ticking sound away.

#### Retro Roman

This Retro Roman wall clock, styled in a weathered metal look, is very in trend. Designed with easy-to-read roman numerals. Sophistication truly meets minimalist chic in this wall décor and timepiece. Works as a rustic, modern or contemporary piece to complete any wall in your home.
