

APPRAISAL CONTINUING EDUCATION GUIDE

2023-2024

YOU VALUE PROPERTIES.
WE VALUE YOU.

MCKISSOCK LEARNING

As the profession evolves,
we're here to guide you.

In an ever-changing landscape, it can be hard to keep up: From bias training to new valuation requirements, appraisers must constantly stay on their toes. The good news? You've got a trusted friend to help you navigate it. To safeguard all you've worked toward — and strengthen your presence in the current market — McKissock guides you through the unknowns, the challenges, and the possibilities. Let's do it together:

Take CE when and how you want: Choose a learning format that caters to your schedule and goals.

Maintain compliance with the most relevant, up-to-date courses and content in the profession.

Hone your competitive edge with professional growth resources like niche certifications, master-led webinars, and more.

Glean expert insights from our instructors who share intimate knowledge of the profession and the market.

ALWAYS UP TO DATE

as the exclusive provider, we've got the scoop: USPAP update course

Since 2010, McKissock has been the exclusive provider of The Appraisal Foundation's national online self-paced USPAP update course.

Developed by top appraisal experts, the USPAP update course covers everything you need to know about the latest updates to USPAP. Explore learning aids, course videos, and case studies in an online course or learn via livestream with AQB-certified instructors.
