TOOLS OF THE TRADE

by Sarah Reyes

Have this gear at the ready to craft whatever look your client desires.

**Andis Profoil Lithium Plus
Titanium Foil Shaver**
@andisclippers

Lightweight shaver is wrapped in a soft-grip surface for added security and comfort in addition to boasting hypoallergenic gold titanium foil that provides a close, irritation-free shave.

**BaBylissPRO
FOILFX01**

@babylissprousa
Crafted with a rotary motor and a hypoallergenic foil head, this cordless shaver is ideal for precise, detailed shaving of the neck, face and around the hairline.

Gamma+ Italia Absolute Zero Shaver
@gammaplusna

Housing a retractable trimmer, this dual-function foil shaver features thin foils and cutters that float independently to give an ultra-close shave on growing stubble. Also noteworthy: A micro-USB charger and lithium-ion battery power up the trimmer in as little as 30 minutes, resulting in 120 minutes of continuous run time.

**WAHL Professional
100 Year Clipper**
@wahlpro

Imbued with all-metal housing and Taper level, this clipper commemorates the centennial anniversary of the esteemed clipper company. The high-impact, advanced rotary motor provides a vintage feel while producing contemporary styles.

**Jack Dean Ivan Zoot
Comb System**
@denmanbrush

From bulk cutting to precision design, tapering and detailing, the comb and snap-on guard are the ideal partners for any clipper—its double-head and curved, fine-tooth comb easily transform hair into whatever length he desires.
