

# Introducing CBD Body Care

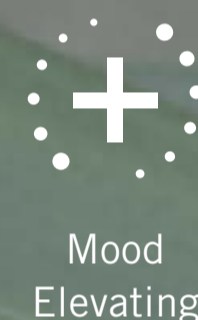

The botanical-based collection for exceptional well-being.

## Introducing CBD Body Care

The botanical-based collection  
for exceptional well-being.

Deeply  
Hydrating

Mood  
Elevating

Naturally  
Soothing

Relaxation is a lifestyle. CBD body care is 100% hemp-derived to renew your body, recharge your senses and elevate your mood without the effects of THC. Thoughtfully created formulas balance nourishing botanicals and comforting scents for a better state of being.
