

# PLAY TIME

You aren't just designing the perfect indoor-outdoor space. You're shaping experiences. Making room for rituals. Allowing for celebration. From warm hearths and elegant furniture to searing barbecues and state-of-the-art ovens, HPBExpo is where you'll find everything your clients need to turn moments into memories. But they're not the only ones with traditions. Getting together this year is special for us too. It's time to return to the industry's leading-edge sales training event and reconnect over inspired design, training and shared ideas. **Welcome back.**

**It's Time for HPBExpo.**
