

Mustache Wax – copy

Come one, come all, for the greatest, the most magnificent, the super-stupendous and ginormously-illustrious mustache wax on earth! Indeed? ... one might inquire how such a copious claim could be legitimately supported? Allow me to enumerate the ways. Natural and organic ingredients? Always and forever. Easy to use? Easy as Aunt Maize's warm peach pie on a sleepy Georgia Sunday morning. Great scent? A scent so sweet and miraculous it'll transport anyone but the most depraved and soulless to a magical and majestic land of immeasurable masculinity. FACT. By the beard of Zeus! ...you need to spoil your facial fur with my most excellent Mustache Wax—with its blend of organic beeswax, shea butter, exotic oils, and actual secret incantations. Meaning that this is the only "kit" you'll ever need. Bend your mustache to your will; make even your beard listen to your every command! I say, my good man, let there be handsome handlebars, charming chevrons, healthy horseshoes, and every other magnificent mustache imaginable. THE TRUE LADDER OF SUCCESS? Grow a mustache, use this wax, and you can get a promotion, be upgraded to first class, get invited to join the Duke of Durham's Dastardly Damsel's Club, have tea with the Queen and Old Crow whisky with a motorcycle gang, befriend an actual wolf pack, find yourself crowned King of a small country... and then at long last you will indeed discover yourself... a Polished Gentleman.
