

In Glossier, the main ingredient is YOU.

Our purpose is to create safe and cruelty-free products that are catered FOR YOU; whether you are a beginner or an experienced skincare and make up enthusiast. You are our top priority.

We're so excited to be inside your beauty shelf!!

Glossier.

Glossier.

"CLOUD PAINT"

Your skin is your canvas.

A seamless and buildable cheek paint that is custom-made for every skin color with special blurring pigments to give you that soft, glowing "I just got out of the sun" look.

OMG, are those
extensions?

...no, they're **LASH SLICK!**

Glossier Lash Slick is a weightless, smudge-proof mascara created for You to enhance your natural lashes without the cost of eyelash extensions.

It's effortless.

It's **Glossier.**

It's **YOU.**

Glossier.

A photograph of three women standing on a rooftop. The woman on the left is wearing a white floral dress. The woman in the middle is wearing a light green top and white pants. The woman on the right is wearing a white top and green checkered pants. They are standing in front of solar panels. In the background, there are palm trees and a clear sky.

Reformation.

Why Not?

During this age of global warming, there should be **no excuses** when it comes to producing **sustainable and earth-friendly** clothing. Fashion is the third most polluting industry in the world. We in **Reformation** believe that business and environmentalism can go hand in hand.

SUMMER IN REFORMATION.

A photograph of three women in a tropical setting. In the foreground, a woman with long brown hair sits on a white lounge chair, wearing a white tank top and dark patterned shorts. In the background, a woman with blonde hair stands wearing a white off-the-shoulder dress. To the right, another woman is partially visible, wearing a white dress with a colorful tropical print. They are all under a thatched roof with lush greenery in the background.

Our exclusive summer collection includes light, flowy textiles and new delicate styles that'll surely fuel your cottagecore desires.

Oh, and of course, they're **SUSTAINABLE**.
