

IT'S YOUR
SUPPORT
THAT
MATTERS
MOST.

AS A SAINT LOUIS
UNIVERSITY GRADUATE,
YOUR GIFT IMPACTS
CURRENT STUDENTS
IN A WAY THAT
OTHERS DON'T.

HERE'S HOW IT WORKS:

With a degree from SLU, alumni achieve personal success while contributing to the greater good.

Graduates give to SLU, raising the University's alumni participation rate with every gift.

A significant factor in national college rankings, the higher alumni participation rate increases SLU's standings.

Highly ranked programs boost SLU's recognition across the country – and the globe.

Higher rankings and high alumni participation attract greater financial support from corporations, foundations and grants.

SLU is able to enrich academics and expand research while increasing financial aid awards, ensuring that even greater numbers of deserving students have access to its life-changing education.

Higher numbers of students graduate, moving out into the world to achieve personal success while contributing to the greater good.

ONLY SLU
GRADUATES
CAN ENSURE
THAT THIS
CYCLE
CONTINUES.
