American Economic Review. Menasha, WI: American Economic Association, 1911- . Quarterly. Print resource, and Online Format. URL: <http://www.aeaweb.org/aer/index.php>.

First published in 1911, the journal is one of the oldest and most respected economics journals in America. The journal is available both in print and electronically. The journal's website allows searching of articles from 2002 to present, and searchable fields include title, abstract, and author's name. Results will display bibliographic information and abstracts, but payment is required to view and download full-text articles. Articles are also available through the JSTOR database. The May issue is called "Papers and Proceedings" and features selected papers from the American Economic Association's annual meeting. Print back issues are also available for purchase through the journal's website. (JNH 200945-673-900 N)

Cambridge Journal of Economics. Oxford: Oxford University Press, 1977- . Bi-monthly. Print and online formats. URL: <http://cje.oxfordjournals.org/>.

This is a subscription-based scholarly journal, established in 1977, and published on behalf of the Cambridge Political Economy Society. It focuses on theoretical and applied aspects of economics, in addition to research in the field of economics. Recent topics covered include corporate accountability and the global financial crisis. While the *Cambridge Journal of Economics* is a valuable resource to scholars in the field of Economics, it is also a journal that aims to reach an audience of non-specialists. It is available in print and electronic formats. The online format features extensive search capabilities, such as the option to search by date, author, title, abstract, and/or words in the text of the article. (MEB 201025-673-900 N)

Contemporary Economic Policy. Hoboken, NJ: Wiley-Blackwell, 1982- . Quarterly. Print and online formats. URL: <http://www.wiley.com/bw/journal.asp?ref=1074-3529&site=1>.

Contemporary Economic Policy is a scholarly, subscription-based journal that was started in 1982. It is affiliated with the Western Economic Association International (a non-profit, educational organization for economists) and focuses on research and analysis of public economic policy. Examples of issues covered by this journal include global warming and intellectual property. Its intended audience includes scholars and policymakers. *Contemporary Economic Policy* is available in both print and electronic formats. (MEB 201025-673-900 N)

Economics and Politics. SSN: 0954-1985. Wiley Press. 1989-. Three issues per year. Print and online formats. URL: <http://www.wiley.com/bw/journal.asp?ref=0954-1985>.

Economics and Politics focuses on domestic and international analytical political economy, which they define as "the study of economic and political phenomena and policy in models that include political processes, institutions and markets." The journal is edited by Peter Rosendorff (New York University) with three university-affiliated co-editors and an editorial board. Through the journal's website, users can freely access a complete archive of the journal's issues. The website also offers early access to articles before they are published in print. (KLLB 201015-673-900 N)

Journal of Economic Literature. Menasha, WI: American Economic Association, 1963- . Quarterly. Print resource, CD, and Online format. URL: <http://www.e-jel.org>.

This publication is available quarterly as a print journal, PDF files on CD, and as an online resource. The CD includes an archive of the publication from 1994; the December CD also includes a subject-indexed list of North American dissertations in the field of economics. The journal covers over 400 current English language journals and contains abstracts, journal content listings, classified subject index of articles, reviews of books by subject, survey articles, annotated bibliographies, and lists of current North American dissertations. Those subscribing to the online version, E-JEL, have access to all back issues through December 1994 if they are members of the American Economic Association, or 2002 [Sociology Dictionaries and Encyclopedias--Specialized](#) for non-members. The classified subject indexes are compiled in EconLit under the title: Index of Economic Articles in Journals and Collective Volumes. (C-26) (KDD 200925-673-900 U)

Journal of Economic Theory. Elsevier Press. (1968-). Six issues per year. Online. URL: <http://jet.arts.cornell.edu/Main.html>.

According to the Journal of Economic Theory's website, JET is now the leading journal of economic theory. This journal publishes original research concerning theories. Its emphasis is on analyzing models within economics through a theoretical framework. According to the editors, JET is "one of the nine core journals in all of economics" and ranks "fourth in impact-adjusted citations." Among the articles found in this journal are the highly cited "Public goods in networks" by Bramoulle, Y. & Kranton, R. Also, "Contest architecture" by Moldovanu, B. & Sela, A. Researchers looking for strong qualitative research should use this journal as a main source of material. (RV 201115-673-901 N)

Journal of Political Economy. University of Chicago Press. (1892-). URL: <http://www.journals.uchicago.edu/loi/jpe/>

This subscription-based bimonthly publication is available online and in print. *JPE* was first published in 1892 and is one of the most esteemed economic journals. *JPE* publishes both theoretical and empirical economics and covers a wide variety of topics such as monetary theory, fiscal policy, labor economics, development, micro and macroeconomic theory, international trade and finance, industrial organization, and social economics. *JPE* strives to publish articles that cover the most current and important issues in the field. (JPT 201015-673-501 N)

The Quarterly Journal of Economics. Harvard University. 1886-. Print and online. URL: <http://www.mitpressjournals.org/toc/qjec/current>

This is the oldest professional journal in the field of economics published in the English language. Traditionally, the focus of this subscription-based journal has been on microtheory, but the publication now takes submissions from all economics fields including empirical and theoretical macroeconomics. This is considered a leading journal in the field and one of the most reputable sources for economics articles. The journal's 2009 ISI impact factor and Journal Citation Report (JCR) ranking was 5.647, the second highest among all economics journals. The website also includes upcoming articles that will be published in the next issue of the journal. (SDK 201015-673-501 N)

Theoretical Economics. Econometric Society. 2006-. URL: <http://econtheory.org/>

This is an open-access, peer-reviewed journal available on the web as a product Econometric Society. The journal is published three times a year electronically (January, May, and September) and is now also published in print with *Econometrica*. This journal publishes articles in both applied and pure economic theory, but all articles must be rooted in significant and innovative theories of economics. The website also includes a list of upcoming articles that will be published in future issues. (SDK 201015-673-501 N)
