It looks there's more *SK8 the Infinity* (<https://www.funimation.com/shows/sk8-the-infinity>) on the way! It's been confirmed that a new anime project for the series is officially in the works.

On July 4, the "SK8 Masquerade of Love" event revealed that the skateboarding boys will return in a new anime project. No details followed the official announcement, but more information will be updated on the official website (<https://sk8-project.com/>) and Twitter account ([https://twitter.com/sk8\\_project](https://twitter.com/sk8_project)).

But wait, there's more! A two-part stage play production has also been announced, with the first *SK8 The Stage* play to open this December and the second part to open January 2022.

*SK8 the Infinity* (<https://www.funimation.com/shows/sk8-the-infinity>) received a spinoff (<https://www.funimation.com/blog/2021/01/13/sk8-the-infinity-to-bust-more-tricks-in-spinoff-manga-adaptation/>) and main series manga adaptations (<https://www.funimation.com/blog/2021/02/08/sk8-the-infinity-frontside-kickflips-into-manga-adaptation/>), which were announced and published earlier this year.

The original anime series was directed by Hiroko Utsumi (*Free!* (<https://www.funimation.com/shows/free>), *Banana Fish*) and produced by studio BONES (*My Hero Academia* (<https://www.funimation.com/shows/my-hero-academia>), *The Case Study of Vanitas* (<https://www.funimation.com/shows/the-case-study-of-vanitas/>)).

Looks like *SK8 the Infinity* (<https://www.funimation.com/shows/sk8-the-infinity>) fans successfully manifested their dreams for more content! If you're new to the SK8 club, be sure to check out *SK8 the Infinity* (<https://www.funimation.com/shows/sk8-the-infinity>) with subs and dubs right here on Funimation!
