Looks like the ikemen sword training online browser game, *Touken Ranbu -ONLINE-*, will be getting a mobile version!

The official Twitter account recently announced (https://twitter.com/TOUKEN_STAFF_EN/status/1417741601665785862) that pre-registrations for *Touken Ranbu -ONLINE- Pocket* are open on the App Store and Google Play Store. A release date has not been set, and the iOS and Android versions will only be available in the U.S.

The staff also stated that they “plan to make it possible for players to sync the current data with [the] Johen account to [the] App Store and Google Play Store version.” So for players who don’t want to start from scratch, keep your fingers crossed for cross-saves!
