The world of popular romance simulation mobile game *Obey Me! One Master to Rule Them All* is officially getting a manga adaptation!

Titled *Obey Me! Comic*, the manga launched on the MangaPlaza trial page, NTT Solmare Corp's newest digital manga platform, and is part of the site's pre-registration campaign.

If you want to check out the first two chapters, they're available in Japanese via the Comic CMOA website, as well as on Mag Garden Kansai's website.
