

KANSAS SPARK TASK FORCE

Three Phases of Spending

1

Local Governments

\$400 million

Distributed based on COVID impact via formula

2

Public/Private Entities

\$314 million

Distributed based on four areas of need identified by SPARK Steering and Executive Committees

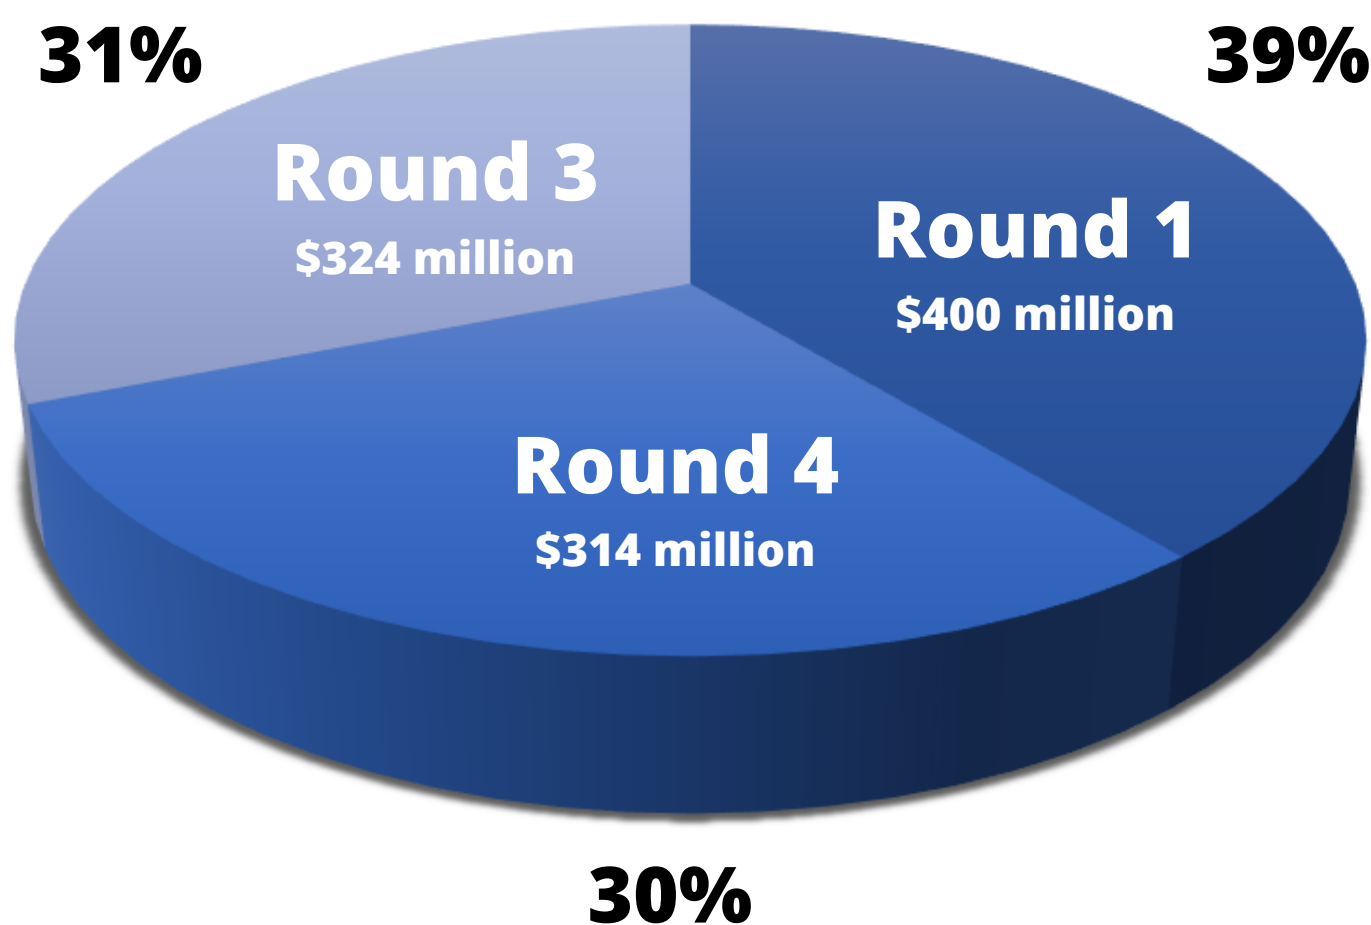

3

Public/Private Entities

\$324 million (maximum)

Distribution to be determined before October by SPARK Steering and Executive Committees

% of Total Coronavirus Relief Fund Dollars

Round 1 disbursements focused on direct COVID needs: PPE, testing supplies, etc.

Round 2 disbursements focused on public health, economic development, education and connectivity

Round 3 disbursements will be determined by the SPARK task force at a later date
