ROSI Office Systems Inc.

Since 1993, we have continued to make a name for ourselves in the Houston office furniture business.

At ROSI, we are best known for our reasonably priced, high-quality office furniture, comprehensive workspace solutions, and first-class customer service. With customer satisfaction at the cornerstone of our company, you can rest easy knowing that your needs and goals are our #1 priority.

Whether you're seeking an office upgrade or expansion, we have the required technical experience and tools necessary to turn your vision into a reality.

Have an office furniture project in mind? Stop by our cubicle at the Houston office furniture showroom to chat with one of our professional workplace designers!

Office Cubicle Options for Every Budget

Our custom cubicles are environmentally friendly, built quickly, and affordable. Whether you're looking to buy new cubicles, remanufacture used cubicles, or add on custom features—we've got you covered.

Are you worried about limited office space? Don't be. Our cubicles are suited to fit into virtually any environment flawlessly. We offer several wall heights, anywhere from low-to-high-paneled walls, as well as open cubicle options to choose from.

Our team also works fast. You should expect new cubicles to quick-ship in (5 to 10 days); custom cubicles in 2-4 weeks; and in-stock cubicles delivered immediately after purchase.

For 30% to 50% of the original cost, call us today to have us remanufacture used cubicles at our Houston facility.

Office Furniture for Every Room

Are you dealing with an office furniture problem? Count on us to provide a solution! We carry an impressive lineup of high-quality office furniture brands, including Haworth, Friant, Safco, Humanscale, Global Industrial, Offices To-Go, and much more.

There's much more to choose from than office cubicles. We carry a wide variety of furnishing options including executive office furniture, task and manager cubicles, reception and waiting area furniture, conference room furniture, [office chairs](#), and storage and filing systems for your office.

At ROSI, we understand how much of a hassle designing a business office can be without professional help. That's why we provide comprehensive workspace solutions to suit your unique needs and specifications perfectly.

We Help You Find the Best Office Furniture for Your Business

At ROSI, we understand that when it comes to office furniture—a one-size-fits-all solution doesn't exist.

That is why when you partner with ROSI, you won't have to settle for lackluster furniture and un-met needs. Our workspace consultants work one-on-one with you to guide you through the discovery, design, delivery, and installation process. And, if you have any questions or concerns throughout the process, you guarantee a prompt and detailed response from one of our reliable advisors.

A Consultative Approach

Unlike many of our competitors, we provide comprehensive consultations and custom-tailored solutions. As office furniture experts, we leverage our extensive industry experience to guide our clients through every step of the furniture buying process.

Our solutions are customized according to your specific office space and budget, business workflow, and the needs of your employees. Whether you're looking for an open and collaborative layout, a private layout, or anything in-between—we supply you with the best office furniture to achieve your goals.

Diverse Furniture and Customization Options

Here at [ROSI](#), we make it easy to find the right office furniture for your business. Not only do we offer a wide variety of different office furniture, but also a wide array of customization options.

When it comes to case goods, such as desks and conference tables, you'll get to choose from many different styles, materials, and design preferences. We also offer comfortable seating options, including ergonomic features, to protect the health and efficiency of your employees.

Best of all: All of our cubicles are made to order; allowing you to choose from many different sizes, fabric colors, panel heights, and other customized options.
