Wake up! Today is the day you have been dreaming of. The planning is done, you have the perfect dress and your family and friends are excited to celebrate with you. Gather your bridal party, sip on mimosas and relax while we take care of all of the details. The Groom is waiting at the end of the aisle and the guests are in their seats, as you stand behind the large mahogany doors bubbling with emotion and excitement. The music begins to play and the doors open as you make your grand entrance to say your 'I Dos.' Your first kiss is what dreams are made of and your family and friends clap as you make your way back down the aisle, hand in hand, as the new Mr. and Mrs. You toast, you laugh, you cry and you dance the night away, until it's time to say goodbye. Sparklers send you off as you begin the first day of the rest of your life.

With our expertise and our passion for creating memorable moments, your Dream Wedding is real and it's happening at Silver Sycamore.

Happily Ever After

Capture the timeless moments. From getting your hair and makeup done with your best friends to putting on your perfect dress, to the more intimate moments....

Your first touch...you first look... your first kiss.

The Chapel

The White Chapel is a unique part of our true Southern experience and an exquisitely romantic setting for your wedding ceremony. Wooden walls and exposed beam ceilings lend to its rustic charm, while crystal chandeliers and sconces add just the right touch of elegance. The Chapel can hold 200+ guests with extra balcony seating, perfect for photographers and musicians to set the mood. As the ceremony begins, our lovely foyer allows for a grand entrance through the interior mahogany doors.

SycamoreVille

Give your guests a True Southern Experience that they'll never forget. SycamoreVille provides the opportunity for an outdoor reception like no other. Dance and dine under the stars and our twinkling lights, in a town adorning your new last name (i.e. SmithVille). What's in our town? Well, of course we have City Hall, The Hotel & Saloon, a Bath House, the Chapel, and we can't forget the Jail. Don't worry though, this Jail doesn't house criminals, it's where the Groom and his party spend the day getting ready. As far as your guests go, you can have anywhere from 50-300 and the best part is, they are free to explore your town and the grounds, all while celebrating your big day.

The Bridal Cottage

Getting ready for your big day is such a memorable experience. In the Bridal Cottage, make memories with your best friends while getting your hair and makeup done in the beauty room! In addition, the bride's dressing room includes a floor to ceiling mirror, perfect for those first bridal portraits, a large seating room to spend the day and a kitchen for you and the girls to pop the champagne! The Bridal Cottage is the perfect place to relax and calm the pre-wedding jitters!

The Reception Hall

When you are looking for your dream venue that feels romantic, intimate and elegant, look no further than our Reception Hall, even with a guest count of up to 200. The hall boasts Mahogany French Doors to make your grand entrance to the reception, chandeliers that can be dimmed to set the mood, and unobstructed views, so no one misses any of the important moments. Dinner can be served as a buffet on our large granite serving line, or plated to table for that extra elegant touch, you choose. Grab a drink from our vintage bar and dance the night away on the dance floor.

Saloon

Yes, it is a real Saloon! Complete with a fully stocked bar and a lounge for guests to mingle. When you have your reception in SycamoreVille, the Saloon is where your bar will be located. It also doubles as a great space for your bridal shower and other small parties for 20-60 guests. At the end of the evening, head upstairs for a night's stay in the hotel!

Gorgeous Gazebos

The grounds feature three romantic gazebos: Waterfall Gazebo, Vintage Gazebo, and Lakeside Pergola. Each marks the perfect location to exchange vows under an unforgettable backdrop. Our picturesque gazebos can accommodate anywhere from 20-200 guests. There are infinite opportunities to take those treasured wedding photos.
