

# Bayer Carbon Program End-of-Season Offers

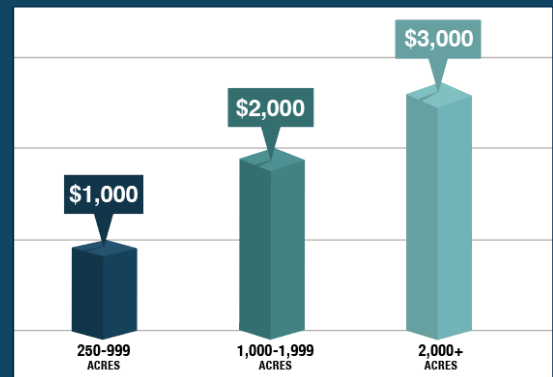

ForGround  
by Bayer

Now is the best time to enroll! As the farming season wraps, now is the perfect time to enroll in the Bayer Carbon Program. This is your final opportunity to take advantage of our limited-time, end-of-season offers to potential boost your farm's income.

## END-OF-SEASON BONUS

When you enroll a minimum of **250 eligible acres** before **December 31, 2024**, you could qualify for a one-time bonus of up to **\$3,000**.<sup>1,2</sup>

Bonus payment is subject to practice verification and will be paid to qualifying growers at the time of the Bayer Carbon Program's practice payment distribution.<sup>2</sup>

- ✓ **Earn Up to \$12 per acre**  
Enrolling in the Bayer Carbon Program means a reliable source of income year after year. You can earn **\$6 per acre, per practice** for the remainder of your five-year contract.<sup>1</sup>
- ✓ **Get paid for the practices you're already doing**  
If you continuously adopted no-till, strip-till and/or cover crops on or after **October 1, 2020**, this is your **last chance to enroll** those fields and qualify for historical practice income. Enroll before December 31, 2024, to earn \$6 per acre, per year for practices implemented up to four years back. That means you could earn up to **\$48 per acre!**<sup>2</sup>
- ✓ **Combine with Additional Programs**  
Earn even more by participating in **multiple conservation ag programs** and adopting eligible practices on the same acres. We'll go over your stacking opportunities at the time of enrollment.

**Scan the QR code to connect with an eligibility expert.**  
Take advantage offers and see how the Bayer Carbon Program can help maximize your earning potential.
