

## You're My One of One

You are limited edition.  
You are like a rare  
Mulberry reared in  
captivity. There is no 2%  
margin of error when  
pressed against the silk  
screen. You are one of one.  
One hundred. Proudly I  
boast of your qualities,  
your characteristics that  
make you, you. It's  
attention to detail. Your  
individuality is  
timelessness, suggestive,  
stoic against adversity. We  
are binaries in this world,  
attempting at what is self-  
consciousness. We are  
interconnected spirits  
bound by vessels that  
encompass a gamut of  
emotions, each balancing  
one another out. Together,  
we are existence in a place  
of contradiction. We are  
love.
