ABOUT

Get the dish on what makes fresh seafood the raw deal. Discover oyster etiquette and the abundant variety of their species with a visit to Shuck Oyster Bar. Located at the OC Mix in Costa Mesa's SOCO, Shuck Oyster Bar delivers with their fresh seafood flown in daily. These oysters are hand selected from over sixty farms, bringing the largest variety to your palate in one sitting. At this spot there is only one specific way to eat an oyster, and that's the way that you want to. Don't get hung up on whether you have to slurp or bring your tiny fork (they have forks for you), and just focus on what gets the job done. Enjoy a glass of wine at the bar while they shuck the oysters right in front of you. Expect friendly service, a great atmosphere and a strong understanding of sourcing and preparing freshly caught seafood.

LOCAL PLEDGE

Our oysters are guaranteed fresh—just one day out of the water. We have 'em delivered daily from over 60 farms. Not into oysters? Try the chowda. Don't like chowda? Try our seafood stew. Not into that? Go shuck yourself.
