**Treat your teeth...
and yourself**

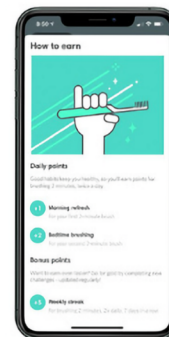

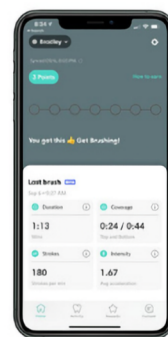

We believe healthy oral care habits should be rewarded. That's why we created our *Oral Care Companion*, a free app that helps you track your brushing routine and start earning toward amazing products, gift cards, and discounts from quip and our partners.

[Get the App](#)

How do I earn points?

Simply brush your teeth with any toothbrush, enter the date and duration of your session in the quip app, and earn points instantly.

- Maximize your points by brushing two minutes, 2x a day.
- Get bonus points for flossing and rinsing once a day.
- **Earn 10x more points** by using a quip Smart Brush.

What rewards can I earn?

Redeem your points in the quip app for gift cards from Target and Walmart or products and discounts from quip.

Why use a quip Smart Brush?

We don't believe in gimmicks. That's why our brushes *don't* include "whitening" modes, oddly-shaped ergonomic handles, and other pricey features not proven to have a significant impact on your oral care routine. What they *do* include are only the features you need: a built-in 2-minute timer, 3 months of battery life per charge, and a Smart Motor that automatically tracks your routine in the quip app and helps you understand how well you're brushing.
