Watoto Signs & Wonders Tour

PRESS RELEASE

Acclaimed Troupe of Ugandan Orphans Travel On U.S. Tour, Presenting Inspiring Production Signs & Wonders

The Watoto Children's Choir, a group of 18 orphans from Uganda, will continue its six-month U.S. tour in the Illinois, Wisconsin, and Missouri area from June 19, 2018 through July 8, 2018 featuring a brand new concert, Signs & Wonders!

(PRWEB) June 14, 2018

Along with energetic singing and dancing, the children will share inspiring stories of how their lives have been changed and how they have been called into a life of purpose to transform their communities. The show is an expression of joy from children who have been rescued after losing one or both parents to live in one of three Watoto villages. Their stories are journeys from despair to hope and from fear to faith.

“ The children have performed before royalty and world leaders at venues including Buckingham Palace and the White House. ”

Since 1994, Watoto Children's Choirs have traveled the world, shining a light on the plight of Africa's orphaned children. Each year, the choirs advocate for millions of African children currently orphaned by AIDS, poverty, and war. The children have performed before royalty and world leaders at venues including Buckingham Palace and the White House.

The choirs are part of the leadership training program of Watoto Child Care Ministries, which currently cares for more than 3,000 children living in family settings rather than an institution.

"I am excited to be a part of Signs & Wonders," said Esther Kahangi, who was abandoned at a hospital and rescued by Watoto as a premature baby and spent her first weeks in critical care. "I know that I am a wonder because I am chosen by God as His child."

"What an extraordinary experience it is to see the Watoto Children's Choir," said Brian Houston, Senior Pastor of Hillsong Church. "It lights up the place to see these beautiful kids, and when you hear their stories and learn about where they have come from, you can't help but think of all God has done."

The upcoming schedule of the Watoto Children's Choir in the Illinois, Wisconsin, and Missouri area includes the following performances:

Headline Impressions:

These metrics reflect the news aggregators and RSS feeds on thousands of websites that display the Watoto Children's Choir Press Release title. Once the title is displayed, it then gets counted as an impression.

A high headline impression number means The Watoto Children's Choir Press Release has the potential to be seen by a much larger audience and it indicates that the title and keyword usage in the content yield favorable search results.

Media Deliveries:

The Digital Lightbridge Press Release portal has global distribution. Metropolitan Statistical Areas (MSAs) that match where the choir is traveling are selected; however, choosing an MSA does not target distribution **ONLY** to that region. Instead, the MSA function categorizes the Watoto Children's Choir Press Release with other news from that geographical area, making it easier for journalists and consumers from target areas to locate and read the Watoto Children's Choir Press Release. For this reason, media deliveries around the country will be displayed, as well as local news outlets.
