Proposed Responsive Design Sitemap  
12-MAR-19

**Please Note:**

This Proposed Responsive Sitemap has been created to demonstrate the Perma-Culture website navigation. As the first step in the process of web development, this sitemap is a diagram and planning tool used for documenting the hierarchical list of pages on your website that will be accessible to users. It in no way reflects the final, professional branding and design, or experience.

**Counties Served - Interactive Florida Map**  
(Click on a county for "pop-up" photos of completed projects.)
