Re: Letter of Recommendation-Renee Burgdorf

To whom it May Concern:

It is my distinct pleasure to provide this letter of recommendation on behalf of Renee Burgdorf.

As the previous President/CEO of the United Way of Pasco County, I have had the privilege to know and work with Renee for five years. United Way of Pasco County is a non-profit organization servicing the entire Pasco County. Renee is a consummate professional. I've known her to be a valuable asset to any team. She has excellent interpersonal skills, and the ability to interact effectively with diverse constituencies. She's creative and applies that talent to each project. She was instrumental in creating marketing tools for United Way in addition to coordinating volunteers for a countywide free tax preparation program for low and moderate-income families and seniors.

Renee is organized and thorough. She's a team player and also works well independently. She exhibits an excellent work ethic. Please feel free to contact me via phone at 727-255-9174 or via email at: [alicedelgado@gmail.com](mailto:alicedelgado@gmail.com) should you have any questions regarding this recommendation.

With gratitude,

Alice M. Delgado, M.Ed.
