HERE**

**YOU
MADE
IT!**

**Welcome to your
UEA Open Day.**

Today you can dive into university life, explore our wonderful city, and experience the unique vibe on campus.

There's so much to do, see, taste, and be a part of. So don't be shy, be curious, and get a feel for your next home. This is where it all starts...

Find a course that fits

Language lover? Number cruncher? Champion of justice? Whatever your passion, we've got hundreds of brilliant courses to choose from.

A campus like no other

Wonderful. Iconic. Like a 'mini town centre'. Our campus is famous for being spacious. There's so much going on, from our SU bar and shops to stunning parkland and awe-inspiring architecture. It. Has. It. All.

A city like nowhere

New to Norwich? Everyone quickly falls in love with its history, countryside, art scene, and independent spirit.

And only a short bus ride from campus to the city centre.

Your home away from home

Accommodation is more than just a room. It's where flatmates become your best mates. We've got rooms to suit everyone's needs, from en-suites to large flat shares.

Sportspark

Make a splash, set your PB, and feel the burn. You'll find everything from climbing walls and a gym to squash courts, astro turf, athletic tracks, and swimming pools.

The Sainsbury Art Museum

Pablo Picasso, Francis Bacon, and Henry Moore are just a few legendary artists whose work is housed at the Sainsbury Art Museum. See them up close and personal.

Great spots. Best catch-ups.

Head over to Atrium Café for a cosy cuppa or a post-badminton bite at Sportscafé. From street food to baked treats - whatever you're craving, we're serving across campus.

Meet your people

There are all sorts of clubs and societies to get involved in at UEA. Taylor Swift. Filmmaking. Pride. UEA TV. Skate Soc. Do what you love with people like you.

Healthy student. Happy student.

Your wellbeing is our priority. That's why you'll find both a medical centre and dental practice on campus. Any niggles, concerns, or check-ups can be sorted in no time.

Your mental health matters

At UEA, there's always someone to talk to. We offer one-to-one appointments, advice, and guidance with professionals to anyone who needs it.
