

BEDDING MADE EASY

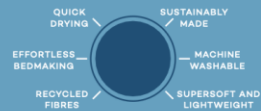

Life's too short for wrestling
with duvet covers.

For endless laundry days, Sunday
night faffs, and a house full of
drying... So we made bedding easier.

Our coverless duvets are supersoft,
effortless to wash, and quick to dry –
giving you that fresh bed feeling
again and again, without the stress.

Here's to more time relaxing.
More time for movie marathons.
More time for bath time.
More time for breakfast in bed.
More time for the things you love.

That's real comfort.
