

# Enlightenment. Not Guaranteed.

## 4 Hour Cloud-Based DR. Guaranteed.

Looking for a sure thing? Get EVault® Cloud Disaster Recovery Service. It's a managed service for recovering your data and systems in the EVault cloud after a disaster. Fast. Our DR experts help plan, test, and execute your recovery processes. If there's a disaster, you get simple (via the Internet), secure (via SSL VPN) access to your recovered systems. All guaranteed with a 4-, 24- or 48-hour SLA.\*

**You need guaranteed disaster recovery now. Enlightenment can wait.**
