Content Writers Ad #1

Ad Body Copy:

You've mastered the art of creating SEO-friendly, engaging content for your clients. From blogs to video scripts, you have a way with words... or so you think.

You know better than most people how powerful words can be. Yet when it comes to writing ads or landing pages, you hit a wall.

Your clients say that your copy isn't converting. You've heard them say things like:

- "I'm not sure this would overcome the objections"
- "Can you make the copy more concise and to the point?"
- "Speak to the audience's pain points"

Perhaps you understand this feedback but can't put it into action. Or perhaps you have no idea what they're talking about.

As a writer skilled in educating and entertaining an audience, you're halfway there. Now, you need to be able to PERSUADE readers.

To do that, you must learn the secrets of copywriting.

You don't need innate talent or supernatural powers to compel people with your words.

You just need formulas that work — and we've got them for you in our master copywriting course.

So if you're ready to expand your skill set and better serve your clients, now is the perfect time to invest in yourself. Our course will teach you how to drive action with fantastic copy — and your clients will love you for it.

Book your spot now to level up as a writer!

Ad Body Copy:

If you've done any sort of copywriting, you know how different it is from other types of writing.

It's a constant challenge, one that sometimes requires you to break your rules as a writer.

You know the struggle of crafting the perfect headline in less than 30 characters.

You know the pain of writing what you think is a brilliant landing page only to get zero conversions.

Good copywriting is tough. At times, it seems impossible.

But it's not.

Some people think that it takes natural talent to be an amazing copywriter. We disagree. We believe that with the right formulas, anyone can persuade their readers to action with their words.

If you want to feel 10x more confident in your copywriting skills, you need to learn those formulas.

Sound like a plan? We have great news: at Taleist, we've gotten copywriting down to a science — and we're ready to teach you!

Business Owners Ad #1

Ad Body Copy:

Tired of spending so much on advertising?

Not sure what to put on your website?

Bewildered by the concept of cold emails or landing pages?

As a business owner, you're eager to protect your bottom line. You're frustrated with the lack of new leads. Yet no matter what you try, it ends up being a waste of money:

- You write your own copy and spend hundreds of dollars on Google ads, only to get zero conversions.
- You hire a marketing agency or copywriting firm that costs more than you can afford, so the leads you get aren't worth the investment.
- You try to build a landing page for your latest offer, but no one is buying and you're not even sure you've formatted it correctly.

At Taleist, we hate to hear about these struggles. And while we're happy to help our clients boost their conversion rates, we also believe our knowledge should be shared.

Copywriting isn't some mystical, magical thing. It's science — and we can teach you the formulas for success.

Join our copywriting course now and gain the skills to write high-converting copy whenever you need it — no need to call anyone else. If you want to TAKE CONTROL of your business and improve your ROI, you NEED this course.

Business Owners Ad #2

Ad Body Copy:

Want to skip the frustration of boosting social posts that go ignored?

Sick of spending money on landing pages and PPC ads that don't convert?

As the saying goes, you need to spend money to make money.

Here's what they don't tell you: that money doesn't have to be on advertising!

What if you could invest in your business in a way that makes you SELF-RELIANT?

What if you could learn the CORE skills to drive conversions on any channel?

What if you could get your readers so excited about your offer that they can't pay you fast enough?

There's no earth-shattering secret here. The answer is copywriting.

If you master copywriting, you master your business.

It's that simple.

You'll know EXACTLY what to say to your prospects. You'll know how to write ads that entice people to click and funnels that get leads to whip out their credit card. You'll know which words get your customers pumped — and which ones make them run for your competitors.

That's why investing in a copywriting course is one of the best things you can do for your business.

Once you master it, you'll generate so many leads and drive so many conversions that the course essentially pays for itself.
