

Photograph Your Vacation Fearlessly.

You don't need to be trekking in the Himalayas to appreciate a rugged camera and the **Olympus Tough TG-320** is well-equipped to do all your photographic heavy lifting. This Waterproof, Freezeproof, Dustproof, and Shockproof little jeep of a point-and-shoot can snap quality photos up to ten feet below the water's surface and bounce right back if a little adventurer drops it from a height of up to five feet. With a retail price of under \$200, the Olympus Tough TG-320 provides affordable security that no matter what environment you find yourself in, you'll never miss a shot.
