

# Take It Outside!

From the smallest spill to the biggest mess, the legendary Original Pine Sol has been taking your clean-ups outside and dressing them up with the unmistakable scent of pine since 1929. Pine Sol deodorizes and disinfects America's toughest stains, grease and grime. And, when diluted with water it can be used to clean nearly every surface in the house, making it the go-to, multipurpose cleaner for your entire home. So take your mess outside and let Original Pine Sol give your house a smell as big and clean as the great outdoors!
