

With the **Krupps BeerTender**, you go straight to the front of the line for a delicious, perfectly poured, and consistently cold draught beer. The **Krupps BeerTender** is compatible with the Heineken DraughtKeg system, which ensures your beer remains fresh for up to 30 days at the ideal temperature of 37.4 degrees F.

And you can enjoy it with no crowd, no noise and no hassles in the comfort of your own home.
