Life is risky. Yours doesn't have to be.

Danger is part of life. Behind every decision you take, danger, risk and uncertainty threaten to derail your every move. The fear this creates can leave you feeling immobilized, second-guessing your every choice.

Don't give in to fear. Count on us instead. We are here to help.

Our business is built on eliminating risk. Let us take danger, insecurity and uncertainty out of the equation, so you can focus on you. Without fear. Without risk.

Leave the uncertainty to us; it's what we do. Don't let fear of the unknown break your stride. We never rest, so you can.

It's More Than Security. It's Peace of Mind.

Peace of mind. It's priceless. You deserve it. We're happy to provide it.

We partner with the community to eliminate risk and provide safe environments for people to thrive. With our tailored safety programs, we maintain a safe space for individuals and businesses to conduct their affairs in total security.

Our services act like a safety net, allowing you to shed your fear and look to a future bright with possibility.

Our Word Is Our Bond

Our reputation didn't just build itself, we worked hard to earn our clients' trust. When you place your trust in us, we will reciprocate with this promise.

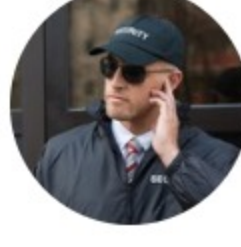

We get the job done.

Our guards are trained to seamlessly handle every contingency. We operate a command and dispatch center with instant coverage at the tip of our fingers. When you work with us, you reap the benefits of a team with over a decade of hands-on experience.

We take security seriously.

Our advanced training and mentoring programs are provided by industry-leading experts. We're dedicated to providing the best possible security at every level of our business. We are fully licensed, bonded and insured. When you work with us, all your bases are covered.

We personalize each program.

Whatever your budget, we will give you a clear appraisal of the situation along with a plan of action. We will communicate honestly and transparently, recommending personalized solutions to fit your specific needs. We cut costs, not corners.

We prioritize safety above all else

Our safety-first philosophy strives to eliminate incidents through pre-planning our activities with safety engagement commencing at the earliest phases. This philosophy, along with our policies and training programs, has created a comprehensive and effective security organization, and a stellar safety record.

We are family owned.

Far from being a cold corporation focused on the bottom-line, we are a family-owned enterprise who provide a personalized service with a human touch. We have not achieved success in the challenging British market for all those years by putting our own interests above the interests of our friends and clients. When you work with us, you are working with family.

What Our Clients Say

David Lewis
CEO / Flux Services

"Reliable security company with great attention to detail and customer service. I have worked with Alliance for over 10 years and will never look anywhere else. The positive energy from management trickles down to the managers and supervisors. Highly recommended!"

Joanne Flemming
Human Resources Manager / Blison

"Out of the many security firms I have used over the years, Alliance is by far the most professional and effective in planning, allocating security resources, and executing a safety plan. They are at the top of the security game in New York City. I highly recommend them."
