Jennifer Tang

Studio Arts' graduate with a concentration in video art. Experienced with videography and with the Adobe Creative Suite. Seeking for experience that will help me grow in the realm of video and film.

Experience

Riverside, California
September 2017 - September 2019

Arts' Lab Technician **University of California, Riverside**

- Demonstrated proficiency with wood shop, welding, and various art making tools
- Guided students through difficulties on how to use different types of tools and materials
- Regulated the art labs, ensuring students' safety in the lab
- Organized and filed documents in the lab

San Gabriel, California
August 2015 - June 2016

Ceramics Teacher's Assistant **San Gabriel High School**

- Taught students how to use the potter's wheel and different techniques with clay
- Recycled old material and created them into functioning material
- Oversaw the students and assisted with teaching

Education

Riverside, California
September 2015 - August 2019

Bachelor of Arts in Studio Arts **University of California, Riverside**
